TO

BE

THANKFUL

**We made this coloring book to remind
young and old alike of the many
things they have to be thankful for as
residents of the great state of Alaska.**

**It is our hope that coloring
these pages inspires interesting
conversations between children
and the people who are teaching
them about how to make meaningful
contributions with their lives.**

WHAT ARE YOU

THANKFUL FOR?

thing for which you are thankful!

We would like to thank the many volunteers, artists, and advocates who have helped make Thanks Fairbanks a project that is changing the way people think about gratitude.

Fairbanks is a remarkable place to live, work, and play, and we are incredibly grateful to operate in a community that affords us the great luxury of doing work we love every single day.

Thanks, Fairbanks.

ABOUT THE ARTIST

Brianna Reagan is far too ambitious for her own good; you will find her working on something, or “procrastiworking” on nothing. She draws, doodles, paints, and daydreams. She spends too much time in her imagination and there’s never enough leftover for the chores. She lives in Fairbanks, Alaska with her husband, toddler, two giant dogs and a cat (...and all their fur).

Thanks Fairbanks is a project that shares thousands of free thank you cards with residents of the Fairbanks North Star Borough each year as a way to spread a culture of gratitude.
